

The image shows a document page with a header and a large table. The header contains the text "UDC 661.792.57:681.96:683.05.01 080". The table below is almost entirely obscured by thick black horizontal bars, which appear to be redaction marks. Only a few faint lines and a vertical column line are visible, suggesting a multi-column layout. The redaction covers the vast majority of the page's content.
