This image shows a page of musical notation, likely a score for a string ensemble or orchestra. The notation is arranged in multiple staves, with a large blacked-out area on the left side. The notation includes various musical symbols such as notes, rests, and stems, indicating a complex piece of music. The page is otherwise blank, with no text or other markings.

This vertical strip on the right side of the page contains musical notation, including notes and rests, which appears to be a continuation of the score from the main page. The notation is partially obscured by the blacked-out area on the left.

The dependence of the plution volumes V_{pl} on the V_{pl} is

The table consists of multiple rows of data, but the content is almost entirely obscured by horizontal black bars and a large grey rectangular area that covers the lower portion of the page. Only a few faint horizontal lines and a vertical line are visible, suggesting a tabular structure with at least two columns.
